Company Profile & Equipment List

Blending Quality & Satisfaction . . .

Hudson Printing offers a full range of in-house services; printing and coating from 6 color to single color, large or small format in any quantity. Other services provided range from the latest high tech fully equipped prepress department to a sleek design studio. Our modernized bindery department provides quality finishing touches not only for our offset print customers but also for our digital copy center, direct mail and oversized printing division. We also provide customers with the option of purchasing promotional items to showcase their company. This combined with our 12,000 square foot fulfillment and storage facility along with delivery services make a complete partnership. Hudson Printing will provide you with printed material you will be proud to distribute. Our philosophy is simply stated ... "Yes we can."

Going the Extra Mile . . .

You won't find a more accommodating staff anywhere, because we take genuine pride in every piece that we produce. We'll go the extra mile every time to get the job done right and to meet your deadlines.

Responding to our Customers Needs . . .

In this time of uncertainty, Hudson Printing has taken a proactive attitude. What does this mean for you? We have added equipment to enhance our turnaround and quality and we've added skilled crafts people to run the new equipment. This has created faster service, better quality, cost effective printing, better qualified & trained employees and the ability to react quickly to our customers' needs.

A Growing History . . .

Hudson Printing has been in business for over fifty years with current ownership and management for over twenty-five years. Hudson Printing has grown from a 980 sq. ft. leased building to an owner occupied 37,000 sq. ft. non-smoking, state of the art facility. Employment base has increased from six to presently thirty-five. Sixty percent of our employees have been with the company for over fifteen years.
